Feud Flares Between Ed Sullivan And Sinatra

NEW YORK (AP) — A feud flared Friday between Ed Sullivan of the TV show, "Toast of the Town," and singer Frank Sinatra.

Sullivan took a page advertisement this week in Variety, entertainment trade newspaper, to denounce what he called Sinatra's "reckless charge" that "Toast" doesn't pay its performers.

"To date," said Sullivan, "we have paid out over five million dollars in salaries and, incidentally, rendered substantial benefits to motion pictures, motion picture artists, studios and theater operators."

The background is that Sullivan wanted to put on a 30-minute preview of Sam Goldwyn's five-million-dollar picture, "Guys and Dolls." Sullivan offered to pay $32,000 to cover technical costs.

He said also in his advertisement the key figures in the film were Marlon Brando and Jean Simmons, "both of whom were to be paid by me." He indicated he never invited Sinatra, who also is in the picture.

"If Sam Goldwyn approached Sinatra, that hardly is my concern," Sullivan said. "Certainly I never approached Sinatra."

Sinatra called upon the Screen Actor's Guild to clamp down on free, or what Variety calls "cuffo," appearances on commercial TV shows.

"I think a stand has to be made on these free appearances," the singer said. "It is not fair that I do a show for Sullivan with no pay.

"I can't set a precedent. I'm a businessman and get paid when I appear on TV."

Sullivan addressed his advertisement to Walter Pigeon, president of the Screen Actor's Guild.

"Let us waive, for the moment," Sullivan said, "the fact that I haven't talked to Sinatra in some years; and let us overlook the fact that Sinatra, regularly trounced by us when he becomes part of the rival network's 'spectaculars,' hardly qualifies as an impartial or disinterested witness."

Sullivan, apparently in a reference to mentions he gave in his newspaper column in years past to Sinatra, added this postscript:

"Aside to Frankie boy: Never mind that tremulous 1947 offer: 'Ed, you can have my last drop of blood.' "

Sinatra addressed a letter to Sullivan, which appeared in Friday's trade papers in Hollywood.

"Dear Ed," it said, "you're sick." And a postcript: "Sick, sick, sick!" that expression is bebop and open to your own interpretation. Sinatra wouldn't explain it. He said: "The ad speaks for itself."

—Sinatra Sues For Not Getting 'Waterfront,' Academy Award Crack—

NEW YORK (AP)— Frank Sinatra is suing the producers of the picture "On the Waterfront" for $500,000 for allegedly backing out of an agreement to give him the starring role.

Papers filed in the State Supreme Court claim Sinatra and the producers entered into an oral agreement on Oct. 22, 1953 under which Sinatra would get $55,000 and one per cent of net profits for playing the lead role.

The producers repudiated the agreement the day before Sinatra was to start work, the papers charge, thereby depriving him not only of the money, but a chance to win an Academy Award. Both the picture, and its star, Marlon Brando, won Academy Awards.

Ike Backs Ezra Dust Bowl Plan

Benson Says No Decisions Yet On Long-Range Conservation Program Developing

WASHINGTON (INS) — President Eisenhower pledged "full cooperation" Friday in a longe-range conservation program Agriculture Secretary Ezra Taft Benson is developing for the Great Plains drought belt.

The President's stand was reported by Benson who told the cabinet about his three-day tour of the drought area this week. The secretary conferred privately with the President after the cabinet meeting.

He said the President expressed deep interest in plans to attack he causes of dust storms and wind erosion, instead of dealing only with the effects through emergency measures.

In the process of developing plans for his permanent program, Benson has invited governors of 10 plains states to meet with him in Denver on June 1.

Meanwhile, a special committee of agency heads wihin the Agriculture Department is drafting its own blueprint for permanent drought control.

Concrete

On his return Thursday from a swing through Colorado, Kansas, Oklahoma, Texas, and New Mexico, Benson told reporters he hopes to have something concrete to lay before the governors at Denver.

In the same statement, however, he indicated that no firm decisions on any long-range program will be made before mid-summer. This was pointed up by Benson's announcement that representatives of the farm organization and others interested in drought problems will be invited to confer with him in Washington late in June.

After his session with the President, the secretary told White House newsmen that there is not a "dust bowl" in the sense that such conditions existed in the early 1930's.

He said: "We have a severe drought condition and a threat of a dust bowl unless corrective measures are taken."

'OLD-TIME PADDLING CRIME CUT'

An old-fashioned spanking is a good way to cut crime.

That was the opinion Dr. James M. Reinhardt expressed before the Nebraska Welfare Association in Omaha Friday evening, the Associated Press reported.

The whippings laid on years ago were not brutal, he said. Instead they showed a boy that he lived in a strong moral atmosphere.

"A whipping wasn't bad then," the Nebraska University Crmininologist said, "because every other boy got one. Now it would be hard on a boy, because nobody else gets one."

K. Patrick Okura, staff psychologist at Boys Town, will be installed Saturday as president of the association.

Other officers include: William McDermet, Lincoln, first vice president; Miss Lucia Brinkman, Hastings, second vice president, and Harry Evans, Omaha, treasurer.

Hwy. 9 Move Asked

A highway delegation from the Waterbury area Friday asked Gov. Victor Anderson and State Engineer L. N. Ress to relocate State Highway 9 between Martinsburg and Ponca. Ress said that since the road is a part of the federal secondary system, the Dixon County board would have to approve such a relocation. Approval by the board "isn't likely," said Ress. The group wants the highway relocated north of Waterbury along the Dixon-Dakota County line.

Woman 'Resisted Advances'; Man Held In Beating

A 46-year-old Lincoln man is being held for investigation by Lancaster County authorities in connection with the beating of a Jackson, Miss., woman.

The woman, 44, is reported in fair condition at a Lincoln hospital with two black eyes, chest and arm bruises, separated cartilage of two ribs, and possible spleen injuries.

The man told hospital attendants that the woman was injured in a traffic mishap when he applied his car brakes too quickly and she was thrown into the dashboard, according to Dep. Sheriff Frank Jacox.

Blood on Floor, Basin

However, the woman said the man had beaten her when she refused his advances at a Lincoln cabin court, according to Jacox, who said blood was found on the cabin floor and wash basin.

The woman told Jacox that the man had threatened her with harm if she told other than the traffic mishap story.

The woman told Jacox she had known the man for about three years and that he only recently persuaded her to come to Lincoln.

6,929 Get Polio Shots

The initial vaccination program for Lincoln and Lancaster County ended Friday with a total of 6,929 children inoculated against polio.

Friday's schedule had 118 more children show up than the 1,407 first scheduled. Only a handful failed to show up because of the recent scare of children who contracted polio after receiving the shots.

Dr. James T. Googe, director of the City-County Health Department, reported no local children had shown signs of illness following the shots in the county.

Makeup schedules will be followed next Wednesday when some 450 children are scheduled to get their shots after missing them during their regularly scheduled times. This will include 40 children from county schools.

Dr. Googe said that all eligible children can receive the shots then who previously have not had them, even those who previously did not have the approval of their parents.

Booster Shots

Booster shots will be given children who received the vaccine last year on May 23. This schedule was reported Friday. Notices are being sent out to parents to this effect. The shots will be given in the schools.

The makeup shots will be given at the City-County Health Department Wednesday at 9:30 a.m.

The vaccine for the shots given to city school children Friday arrived in Lincoln Friday morning by air. Of the 730 vials that arrived, 150 went to Lancaster County, 217 went to Douglas County, 106 went to outstate counties that have asked for more vaccine.

140 - Mile Wind, Hail Hit Florida

FORT LAUDERDALE, Fla., (AP)—A hailstorm with winds of hurricane force struck Fort Lauderdale Friday, causing damage estimated at $200,000.

The Weather Bureau reported winds of 75 miles an hour—hurricane force—at Broward International Airport, where gusts were estimated up to 140 miles per hour.

At the downtown Weather Bureau in Miami, winds were clocked at 41 miles an hour as the storm passed to the east, thrashing Miami Beach.

The storm swept the east coast from Fort Pierce to Miami Beach but concentrated its wild fury on Fort Lauderdale. Hundreds of windows were broken, trees uprooted, roofs were damaged and streets flooded by heavy rain. Three airplanes, one a big cargo craft, flipped over at Broward International Airport.

There were no serious injuries.

The odd storm was of brief duration over its entire path. Each point reported the same phenomenon—a sky that grew inky black, lightning and rolling thunder, a preliminary fall of marble-sized hail, then a terrifying deluge of bigger hail.

Marble Size

At Fort Pierce, where the storm first generated, only marble-sized hail fell. It whitened streets and lawns, then melted in the deluge that followed.

The storm passed west of West Palm Beach.

It gathered its forces for a vicious punch at Fort Lauderdale. Rain began to fall from a blackened sky, then small hail bounced off cars, streets and rooftops. Suddenly the egg-sized hail poured down and winds raged.

The heavy hail lasted only four minutes and the entire storm was over in 20 minutes. When it subsided it was as though a hurricane had passed. Trees were stripped of foliage, many windows and greenhouses were smashed, roofs damaged and one roof was blown off, power and telephone lines and many trees were down. Streets flooded in the downpour.

Trees Stripped

Orville Revelle of the Fort Lauderdale Daily News said after a tour of the city that all fruit trees were stripped.

"There isn't a grapefruit, orange, avocado or mango left in the area in which the hail fell," he said.

The storm continued southward, hammering at a dozen communities, and then swept into Miami Beach. Winds reached 60 miles an hour there, and heavy hail whitened the city.

Senate Unit Junks Ike's Borrowing Agency Plan

Penny Hike In Gasoline Tax Proposed

WASHINGTON (AP) — A five-year highway program costing almost 22 billion dollars, including a 42,500-mile network of toll free interstate roads, was approved Friday by the Senate Public Roads subcommittee.

To help pay for the federal government's share, the subcommittee recommended a penny a gallon increase in the federal gasoline tax.

The proposed legislation also includes what Chairman Gore (D-Tenn) described as a "new and far-reaching" plan to limit the weight and size of trucks.

Gore called the bill a compromise between a measure he sponsored and the Eisenhower administration program formulated by a presidential commission headed by Gen. Lucius D. Clay.

6 To 3 Vote

He said the subcommittee voted 6-3 to approve the amended bill, but declined to say who voted for or against it. He said the full committee will take up the measure next Thursday and predicted it would pass the Senate the following week.

One open dissent came from Sen. Bush (R-Conn), a subcommittee member who said the bill is "totally inadequate" in that it fails to meet the demands of modern high-speed traffic and "dodges the issue of raising the large sums of money needed."

Bush said further it discriminates against states which went ahead and built needed roads, including toll highways, without waiting for federal help. He said he will fight in the full committee to replace it with "President Eisenhower's forward-looking highway program."

Ike Proposal Rejected

Gore's subcommittee junked the President's controversial plan to finance a multi-billion-dollar road program through a new federal borrowing agency. It also sidetracked an administration proposal that the federal government reimburse states for money spent on toll roads that become part of the interstate highway system.

Sen Francis Case (R-SD), who had sponsored a third plan, said the subcommittee bill is "a little lame on the financing end" but "has many excellent features."

Gore estimated that increasing the federal gasoline tax from 2 to 3 cents a gallon would produce from 600 to 750 million dollars additional revenue a year, over a five-year stretch that would run from 3 to 3¾ billion dollars.

Spending Rate Boosted

As amended and approved by the Senate subcommittee, the mileage figure was upped to 42,500 and the federal spending rate was increased to 1 billion for the first year, 1¼ for the second, 1½ for the third, and 2 billion for each of the fourth and fifth years, a total of 7¾ billion dollars for interstate roads.

The states would furnish an adtitional $2,584,000,000 for a total of $10,334,000,000. This would be a ratio of about 75-25 per cent, compared with the present 60-40.

Additionally, the federal government would provide $1,1000,000,000 for each of the next five years for primary, secondary and urban roads. Current legislation calls for 675 million a year. With the states matching this money 50-50 as at present, the total expenditure for these roads for five years would be 11 billions.

GIRLS, WANT TO BE MISS AMERICA? THE RACE IS ON

Lincoln girls can now turn their thoughts toward becoming Miss America.

Judging of the Miss Lincoln pageant, sponsored by the Lincoln Chamber of Commerce, will be held at the Cornhusker Hotel, Sunday, May 15, at 7 p.m.

The deadline for entries is Saturday, May 7.

Any single Lincoln girl between 18 and 28 is eligible to enter. The winner will compete for the Miss Nebraska title at Kearney later this summer. Miss Nebraska will enter the national competition at Atlantic City.

Tractor Spree Nets Pair $250 Fines

Two Lincoln garbage haulers, who had eight or ten beers apiece and an urge to drive farm tractors, were fined $250 each Friday in Lancaster County Court for maliciously destroying property.

Richard E. Bransom, 28, of 913 O, and Orvil Cox, 18, of 1216 H, were separately charged with maliciously damaging two farm tractors owned by Ralph Densberger of RFD Malcolm.

Both defendants pleaded guilty to the misdemeanor charges filed by Co. Atty Elmer Scheele, who said a felony charge against each was possible in that the estimated repair bill for the tractors was $248.42.

After Work

The two defendants, who were employed by the same garbage hauler, admitted in court they had drank eight to ten beers after getting off work last Saturday noon.

Later, they saw the tractors parked in the field just west of the Air Base, started two of them and drove them around the field.

Both denied remembering running the two tractors into each other, but said they abandoned the spree after the vehicles became bogged in the mud.

'Tried Head On'

Densberger said that from the tracks in the muddy field and the damage done to the vehicles, the defendant apparently "had tried to hit head on, but only struck a glancing blow with the tractors."

Densberger said the clutch and brakes in one tractor were burned out when attempts were made to "spin the wheels out of the mud."

Also damaged was a three-bottom plow and several acres of cropland, the farmer said.

Bransom, who is married and has several children and makes $45 a week, told the court he wanted to make restitution. "The greatest hardship from this incident will be on your family," Judge Herbert Ronin reminded him.

Asked how he could have gotten into this trouble, Bransom told the judge, "I love to drive a tractor." Cox said he had driven tractors "when we used to live on a farm."

In addition to the fines, the court ordered the defendants to make restitution for damages.

NU STUDENT GONE; 'FOUL PLAY'—DAD

Lawmen over the midwest have been asked to be on the lookout for Donald Harvey, 18, a freshman from Wauneta at the University of Nebraska, who disappeared from Lincoln April 20.

Donald Harvey

The youth's father, D. C. Harvey, said he was "certain some sort of foul play was involved."

The family last saw the youth at the Lincoln home of the parents of his brother Rodney's wife.

No Study Problems

No hint was given to his college roommate that he was worried about his studies or some other problem, the Associated Press reported the boy's father as saying.

Dr. F. E. Eldridge, associate director in residences instruction at the Ag College, said that the boy had not been attending some classes but had received no down slips.

The boy was eating dinner at the home where the family last saw him. At the end of the meal he disappeared without any explanation.

Headed For Kansas?

The last time the student was seen was later the same when he stopped at a service station and asked for a map of Kansas.

His father said it wasn't believed his son had much money with him when he vanished.

Another University of Nebraska freshman, Glenn L. Hossman, 18, of Villisca, Ia., a geology major, has also been reported missing since April 19, the day before the Harvey youth disappeared.

The Safety Patrol reported that Hossman wrote his parents from McCook, but apparently had not been heard from since.

'Lobbyist' A 'Dirty Word' Around Legislature; Tempers Flare

By ARCH DONOVAN

Star Staff Writer

The word "lobbyist" has become a "dirty word" around the Legislature. Its use is commencing to make tempers flare.

Sen. Dwight Burney found Budget Committee members prompt to angrily answer when he accused them of "lobbying" against LB 66 which he introduced to provide for periodical re-examinations for motor vehicle drivers.

He referred to a letter sent the senators this week by the committee predicting that passage of the bill would add $90,000 to the state budget. It had been argued earlier that the cost would be only $30,000.

Burney later said he got his estimate from Owen Boyles, Motor Vehicle Division chief.

Boyles said he cannot recall making any estimate for Burney and that if he did, the $30,000 figure must have been on a one year basis rather than for the bienium. He says his recollection is that he asked the Budget Committee for an added $72,000 if the bill becomes law.

Corpus Juris, the leal guide, says, "Presentation by argument in a public place and legitimate manner the injurious effect proposed legislation will have on a particular business does not constitute lobbying."

"There seems to be considerable opinion among the legislators that they don't even care how much a bill is going to cost," Sen. Karl Vogel of Omaha retorted to Burney.

"I don't think the Budget Committee was doing any lobbying," committee member A. A. Fenske said. "I don't want to be called a lobbyist." Sen. K. W. Peterson also a committee member echoed Fenske's sentiments.

Meanwhile, Victor Anderson cam to the defense of department heads who have testified for and against bills at public hearings.

He said such testimony does not constitute "lobbying." He appears to be borne out by Corpus Juris which says, "Lobby services is a term generally defined to mean the use of personal solicitation, the exercise of personal influence and improper or corrupt methods whereby legislation or official action is to be the product."

The governor's statement was inspired by a charge by Sen. Lester Anderson that State Engineer L. N. Ress was leading "the truck lobby" when he offered testimony on LB 493 which would have permitted the length of trucks to be increased from 50 to 60 feet.

Ress recalled that his interest was in "protecting the investment of Nebraska taxpayers in highways." He said that he plainly stated that his chief interest was in obtaining repeal of the "tolerance" provisions passed two years ago.

He further stated that he had been requested to testify on how the bill would affect trucks of the added length and that he pointed out there would be no increase in the amount of weight carried per axle and that a full gross load would make the vehicle overweight on axles.

Sen. K. W. Peterson, introducer of the bill, said that he personally asked Ress to attend the hearing to give the committee the benefit of his technical knowledge.

State officials have been ordered not to seek out individual legislators in an attempt to influence legislation, the governor continued.

A resolution of the House of Representatives of Congress depicts lobbying as not purporting to include, "attempts to influence public opinion by publication and distribution of books, pamphlets and other writings."

The governor said that he considers state officials as representatives of the "general public" at committee hearings.

Auditorium Low Bids Okayed By Committee

By BILL DOBLER
Star Staff Writer

The city council auditorium committee has approved acceptance of a combination of low bids totaling $2,093,598 for construction of the new Pershing Memorial Auditorium at 15th and N.

By virtue of elimination of a $1,100 item duplicated in two of the bids, the Council committee was able to squeeze the total contract amount under the $2,094,000 estimate. The committee recommendation, expected to be acted upon favorably by the Council on Monday includes the use of stone instead of face brick on the exterior.

The $1,100 item was the installation of shower stalls and both the general contractor and plumbing, heating and ventilation contractor including the work in their bid.

Bids Listed

Acceptance of base bids on the auditorium will be recommended as follows:

General contract, Olson Construction Co., $1,389,865.

Plumbing, heating and ventilation, Natkin & Co., $543,300.

Electric wiring, Commonwealth Electric Co., $237,400.

The committee will also recommend deductions as follows totaling $76,867:

Elimination of marble in lobby, $16,500.

Use of steel frames and wood doors in place of aluminum doors and frames on the front of the building, $5,267.

Use of stone on the exterior base trim in place of granite $25,000. (Base stone to contrast with other stone exterior.)

Elimination of acoustical ceiling in main arena, $29,000.

$2,093,598 Net

These deductions from the base bids gives a net total contract amount of $2,093,598—$402 under the published estimate. The base plumbing, heating and ventilation bid does not include the compressors needed for operation of the ice rink or for air conditioning.

Hope was expressed by Mayor Clark Jeary, however, that at least one compressor can be obtained with funds left over from construction. This one unit would be sufficient to operate the brine system for the rink and give partial air conditioning.

Plans calling for an expenditure of $339,000 in addition to the original contract awards were explained by Jeary as follows:

Estimate on equipment cost, $224,000.

One compressor, $40,000.

Ceiling in the main arena, $29,000.

Balance due architects on their fee, $40,000.

Adding these things, none of which can be done with original contract awards without going over the estimate, to the base bid awards will make a total cost of $2,432,598.

$109,028 Cushion

There is a total of $2,541,626.78 in the auditorium fund—$109,028.78 of which would be left as a cushion after all auditorium costs as now anticipated were paid.

"This is not as big a cushion as I would have liked," Jeary said, "but it is sufficient. The committee feels that with these plans, we will have a very adequate building which will provide all the uses we had originally planned on."

City Attorney Jack Pace has stated that the compressor can be purchased later on the open market. Pace classes the auditorium as a utility which has such authority.

Construction items such as the ceiling in the arena, he said, would have to be done later through competitive bidding.

If the necessary legal documents are ready Monday, Jeary said, the Council should let a contract at that time. The auditorium committee is composed of four members of the Council so a majority of the Council has already approved the above plan.

'Institution Might Be Taken From Board Of Control'

An attorney general's opinion Friday hinted there "might be some basis" for transferring some institutions from the Board of Control without a constitutional amendment.

But it specified that these would include only institutions created after the constitutional convention of 1920. Only institution in that category is the Nebraska Psychiatric Institute, Omaha.

The opinion, written by Deputy Attorney General Clarence Meyer, was issued in connection with legislative consideration of a constitutional amendment to abolish the Board of Control. The amendment would put the institutions in the hands of the Legislature.

Sen. Syas of Omaha, author of the bill, asked whether a constitutional change would be necessary.

Strike Spreads

BUFFALO, N. Y. (INS) — A wildcat strike spread through the Republic Steel Co., plant in Buffalo Friday. The walkout shut down nine open hearth furnaces and made idle 1,400 of about 2,800 production employes in that department. USW-CIO state officials are attempting to persuade the workers to end the stoppage. The strikers are protesting the introduction of a four-day work week in that division.

Power Line Authoried —The State Railway Commission authorized construction of 61.48 additional miles of electric transmission line by the Loup River Public Power District, Columbus. The line will be located in Frontier and Red Willow counties. The Omaha Public Power District was granted permission to erect additional line in Douglas and Cass counties.

Roberts Mortuary.—Adv.

Assessment Case Appealed — The transcript of a property tax assessment case appealed by Madison County was filed with the State Supreme Court. A Madison County District Court decision ruled that Ruth W. Babin, Norfolk, was correct in alleging that the county assessor had "unlawfully increased" the valuation of real estate owned by her in 1953 and 1954. She contended that the assessed valuation should be $25,165 instead of the $78,810 set by the assessor for 1954.

Plaintiff Awarded $4,100 — A $4,100 verdict was returned by a Lancaster District Court jury in favor of Mrs. Beulah Holland of 1922 T, who was plaintiff in a personal injury suit. Defendants were Loren Hock, a 19-year-old University student, and his father, Herman Hock of Smithfield, Neb. Mrs. Holland had asked $25,000 for injuries allegedly suffered in a two-car collision Jan. 15, 1954 at 27th and O. Mrs. Holland was passenger in a car driven by her husband, John C. Holland, which was in collision with a car driven by Loren Hock.

To Make College Survey — Dr. Wesley Meierhenry, associate professor of school administration at the University of Nebraska, is one of two educators whom Virginia State College, Petersburg, Va., has selected to survey its teaching materials and suggest possible ways to improve them and their use. Dr. Meierhenry will spend next week at the college with Dr. Lee Cochran of the University of Iowa. Virginia State is a Negro land-grant college.

Plaintiff Loses Breach Of Oral Contract Suit

A Lancaster District Court jury found against the plaintiff Friday in his $3,400 suit for alleged breach of oral contract.

The plaintiff, Joseph F. Nelson of 4333 So. 48th, alleged he had deed Aug. 28, 1950, a 4430 So. 48th property to Kenneth L. Christensen of Shelton, with the oral agreement the defendant would perform certain work and services of the agreed value of $3,400.

He alleged Christensen failed to perform the $3,400 worth of services. The jury's verdict was for Christensen.

Good Bid Taking Aids County Roads

Counties which do "a thorough job of taking bids" on their projects have some of the best county roads in the state as a result, Manager James Critchfield of the Nebraska Chapter of the Associated General Contractors declared Friday.

He cited Lancaster County as an example.

"These counties are some of the few that have well organizel road programs," Critchfield commented.

But such counties are in a minority, Critchfield said, urging defeat of LB 381, which he declared would leave county boards "completely free to decide whom to do business with regardless of price."

Traffic Signal Request Rejected By Officials

A petition plea for traffic signals at 10th and Vine and 14th and W has been rejected because, according to officials, it wouldn't accomplish the desired purpose.

Capt. Willis Manchester of the Lincoln police department said the congestion of cars on No. 10th would more than offset any benefit to cars going east and west on Vine.

$55,843,018 in BENEFITS to NEBRASKANS
REPORTED by CONSUMERS PUBLIC POWER DISTRICT

Consumers Public Power District's Annual Report* reveals that total benefits accumulating to Nebraskans since the beginning of the District's operations had reached a total of $55,843,018 at the end of 1954. This is far more than the original investment of $44,425,000 made by the District to acquire its initial properties.

These benefits came from the following sources:

1. Revenue bonds redeemed from earnings—$15,450,000, representing Nebraskans' equity in the system itself. Bond redemptions during 1954 amounted to $1,674,000.
2. Gross additions and improvements, from earnings, to the system—$23,036,079. (Total expenditures from all sources for these purposes now amount to $38,420,377.)
3. Savings to customers through rate reductions—$17,356,939. (The average cost per kilowatt-hour to the customer has been reduced by more than 27 per cent since the District started operations.)

These, of course, are the tangible benefits. Other important benefits include the expansion of Nebraska's economic horizons, and a higher standard of living for every citizen, through the availability of dependable, low-cost electric power. Meanwhile, through far-sighted planning, Consumers Public Power District is making certain that these benefits will continue to accumulate throughout the years to come.

HIGHLIGHTS OF 1954 . . .
A YEAR OF RECORDS

THE NUMBER OF CUSTOMERS served set a new record—a total of 113,799, which was an increase of 2,684 over the 1953 figure.

KILOWATT-HOUR SALES set a new record—a total of 682,740,321, which was an increase of 6.6 per cent over 1953.

RESIDENTIAL USE of electricity set a new record—an average consumption during the year of 2,401 kilowatt-hours per residential customer, which was an increase of 7.9 per cent over 1953.

GROSS OPERATING REVENUES set a new record—a total of $15,150,456, which was an increase of 6.7 per cent over 1953. Operating expenses increased by 6 per cent to reach a total of $10,968,047.

ADDITIONS AND IMPROVEMENTS to physical properties resulted in a gross expenditure of $4,318,552.

Salk Gives Advice On After-Vaccine Polio Cases

... 11 Experts Meet In Washington

WASHINGTON (AP) — Dr. Jonas E. Salk lent his advice Friday to the Public Health Service inquiry into cases of polio which developed in some children given Salk vaccine manufactured by a Californa firm.

Dr. Salk, who developed the vaccine against crippling polio, was one of 11 experts in the fields of polio and immunology who met in consultation all day with Public Health Service officials.

"The consultants are reviewing the epidemiological and medical histories of polio cases who received the Cutter vaccine," the service reported.

The reference was to the Cutter Laboratories of Berkeley, Calif., whose shipments of vaccine were ordered recalled by the Public Health Service Wednesday after six cases of paralytic polio had occurred in children who had received the Cutter-made vaccine.

20 Cases

Friday night, an unofficial tabulation showed the number of cases of post inoculation polio had reached 20, divided as follows: California 12, Idaho 3, Washington 2, Illinois 1, Colorado 1 and Georgia 1.

Surgeon General Leonard A. Scheele held to his confidence in the immunization program. One big reason: in all the cases reported, medical men saw the strong possibility that polio was already present when the inoculations were given.

In all the cases except the one in Georgia the Cutter vaccine was used. However, there has been no suggestion it was faulty—it was explained it was deemed wise to make a thorough check.

In any event, when the Salk vaccine was first passed on as effective, it was announced that its effectiveness could be expected to range from 60 to 90 per cent.

To Probe

Dr. Thomas F. Francis of the University of Michigan, who appraised the tests of the Salk vaccine, was among the 11 visiting experts here. They will meet Saturday with representatives of the pharmaceutical houses manufacturing the vaccine.

In other polio developments Friday:

1. The New York County Medical Society said it would investigate and take action against any Manhattan doctors who gave the Salk vaccine to adults, instead of children, at this time. Of 325 injections investigated so far in metropolitan New York, 31 have been given to adults. Polio is primarily a disease of childhood and authorities are seeking to reserve the scarce vaccine for children at this time.

2. Atty. Gen. Brownell said the Justice Department is keeping an eye open to see that the vaccine reaches those who need it "at a fair price." He said the Antitrust Division must "see to it that no collusion or price-fixing" occurs in marketing the vaccine.

Up to now, most of the vaccine has been given through community or state school programs, with comparatively little being obtainable commercially.

Omaha Firm Low On Cozad Road Project

The Missouri Valley Construction Co., Omaha, was apparent low bidder on four road projects in the Cozad area, the State Highway Department announced.

The Omaha firm submitted a total low bid of $154,450.85.

The projects involve State Highway 8 south of Cozad, State Highway 548 east of Cozad, the Cozad-Lexington road in Cozad, and the main street in Cozad.

Traffic Appeal Saves $1 But Still Costs More

A Lincoln man saved $1 on a speeding fine in his appeal to Lancaster District Court, but paid additional court costs.

Teddy Gartin, 57, of 3002 Dudley, was fined $3 in District Court after pleading guilty to an appealed speeding charge of Feb. 24. The Municipal Court had fined the taxi driver $4.

In another case appealed from Municipal Court, the city dismissed prosecution. Elton M. Hill, 18, of 2709 No. Cotner, had been charged with negligent driving March 7 and fined $10 in Municipal Court.

Meet Star Carrier Gerald Evans

One of the Star carrier-salesmen with an outstanding service record is Gerald Evans. Gerald is the son of Mr. and Mrs. D. J. Evans, 1100 Idylwilde Dr. Gerald carries route 714 which lies in an area formed by 33rd Street and Idylwilde Dr., and Holdrege and the Missouri Pacific Railroad tracks.

Gerald Evans

Gerald is 14 years old and in the 9th grade at Northeast Jr. High School. His favorite subject in school is social studies but like most boys Gerald is fond of sports and, therefore, enjoys his gym class. Outside of school his interest in sports continues to baseball. Gerald is also a member of the Boy Scouts and is now working for his Eagle award. Musically Gerald is interested in the piano and has been playing it for 7 years.

Gerald's success with his route can be attributed to the business-like way in which he handles it. This is reflected in the fact that since he started 6 months ago he hasn't had one complaint from any of his customers. Like any good businessman Gerald is interested in building his business. Since he started Gerald has added 5 new customers to his route and is now earning $23 every 4 weeks.

Any boy interested in a morning Star Route should apply at the Circulation Department, 926 P, Lincoln, Neb.

Wesleyan Honoraries Tap Members At May Fete

7 Men Picked For Blue Key

Blue Key members chose seven new successors in the junior-senior men's fraternity at Nebraska Wesleyan University.

Allison

Active members accosted new members, one by one, and marched them before the Spring Fete crowd for introduction to President Bob Jewett.

Blue Key honors students for participation in school activities, leadership, character and scholastic achievement.

New members:

Earl Richardson Allison, son of Mrs. Dessa M. Allison of Mitchell. Affiliated with Crescent Fraternity and active in debate, Pi Kappa Delta and Student Senate. He participated in the Washington Semester plan this year.

Bill Bowmaster, son of Mr. and Mrs. R. M. Bowmaster of Lincoln. Affiliated with Phi Kappa Tau Fraternity and active in Interfraternity Council and Wesleyan staff.

Charles Edward Friederich, son of Rev. and Mrs. F. C. Friederich of Seward. Affiliated with Theta Chi Fraternity and editor of the campus newspaper. He is active in Gamma Upsilon, Sigma Pi Sigma and Academy of Science.

Bruce Merchant, son of Mr. and Mrs. A. H. Merchant of Elgin Member of the Barbs (unaffiliated students). Chapel Choir, Kappa Chi, Social Committee and YMCA.

Cliff Kahl, son of Mr. and Mrs. Earl C. Kahl of Big Springs. Affiliated with Phi Kappa Tau Fraterniy and has participated in football, track and Interfraternity Council.

John Thornton Park, son of Rev. and Mrs. Dawson J. Park of Aurora. President of the Barbs and active in Sigma Pi Sigma, Social Committee, and YMCA. He was editor of the Handbook.

Louie John Schweppe, son of Mr. and Mrs. Louis Schweppe of Tecumseh. Member of Barbs, band, Kappa Chi and Student Senate. President of the YMCA.

Close Elections

HOBART, Okla. (AP)—For the second time, Street Commissioner Keene Boardman has been tied in his race for re-election. And for the scond time, he retained the office when the County Election Board ruled he won because his opponent did not request a recount. The same situation arose four years ago.

Hanson Wins Poetry Contest

Warren Roy Hanson of Clay Center was presented during Spring Fete activities as winner of the eighth annual senior poetry contest.

The son of Mr. and Mrs. H. S. Hanson, he is a philosophy and religion major. He plans to attend a seminary in Chicago next year.

Hanson has been active in Barbs, Kappa Chi, YMCA and drama groups at Wesleyan.

He is a member of Pi Gamma Mu and Phi Kappa Phi, national social science and scholarship societies.

The winning poem:

Pendulum

[illegible] far at left,
Then pauses at the right extreme.
And swinging to the left once more,
It passes by the middle beam.

Nor ever does it seem to stop
Midway where rest might come to it;
But loves each until in scorn
It leaves to find the opposite.

And so between extremes I go,
As truth and God I seek to find.
I pause at each point farthest out,
I ride the pendulum of my mind.

Sometime, somewhere, amid extremes
The final truth I hope to find:
And stop the swinging pendulum.
Or would this be the end of time?

Cardinal Key Picks 6 Coeds

Six new members of Cardinal Key, junior-senior women's honorary organization, were presented at the Wesleyan Spring Fete.

Cardinal Key recognizes achievement in scholarship and activities at the college.

It also emphasizes leadership and service in sponsoring activities in the college community.

New members:

Marty Campbell, daughter of Mr. and Mrs. C. W. Campbell of Fremont. Affiliated with Willard Sorority and active in Chorus, Opera, Woman's Glee Club, Chapel Choir, YWCA and WAA.

Gayle Collins, daughter of Mr. and Mrs. Fred T Collins of St. Edward. Affiliated with Alpha Gamma Delta Sorority and is active in Panhellenic Council, Woman's Glee Club, Yellers of the Brown and YWCA.

Vera Louise Janke, daughter of Mr. and Mrs. Harold E. Janke of Lincoln. Affiliated with Alpha Gamma Delta Sorority and active in WAA, Wesleyan staff, Woman's Glee Club and Yellers of the Brown. She is president of Panhellenic Council.

Janet Rae Miller, daughter of Mr. and Mrs. George Miller of Broken Bow. Affiliated with Alpha Gamma Delta and is active in Chapel Choir, Chorus, Future Teachers of America and Woman's Glee Club. She was president of YWCA and was 1955 Beauty Queen.

Karen Ramona Norton, daughter of Mr. and Mrs F. M. Norton of Columbus. She is an Independent and editor of the campus yearbook. Active in the Academy of Sciences, Gamma Upsilon, Nu Med, Publications Board, Student Senate, Woman's House Council, Yellers of the Brown and YWCA. She is president of the Governing Board.

Marilyn Ruth Wagner, daughter of Mr. and Mrs. R. L. Wagner of Hartington. Affiliated with Willard Sorority and vice president of the Student Senate. She has been active in Debate, Kappa Chi and YWCA.

Belmont House To Be Built In Day

The 100th new house in the Belmont development, a three bedroom frame unit, will be built in one day, Saturday, at 941 Fairfield.

Labor unions will donate their time and the Belmont Community Housing Corporation will donate the land and some of the proceeds from sale of the house to the Belmont Community Center.

The exterior of the 100th house will be finished by midnight Saturday. An open house in the home is planned for May 29 when the interior is finished.

Construction of the new Belmont Community Center, a playground development on the corner of Lewis and Judson adjoining Belmont Park, is to be started early this summer.

Bassett Child Killed While Crossing Road

Death Brings '55 Fatality Mark To 88

BASSETT, Neb. (AP)—Six-year-old Robert Lee Townsend was struck by a truck at the edge of Bassett and died almost immediately, the Nebraska Safety Patrol reported.

The boy's death brings Nebraska's highway death toll to 88, but once more it lags behind the 1954 pace because on this date in 1954 there had been 89 fatalities recorded in Nebraska.

The Safety Patrol said the boy, son of Mr. and Mrs. Robert T. Townsend, had started across Highway 20 at the edge of Bassett intending to go from a cafe which his mother operates to the family home across the street, when he was hit by a gasoline truck driven by D. A. Kersenbrock of O'Neill.

The boy is survived by his parents and a younger brother.

Mrs. Swanson Is Re-Elected Head Of Lutheran Group

Lincoln Star Special

WAHOO, Neb. — Mrs. R. C. Swanson of Wahoo was re-elected president of the Wahoo district Women's Missionary Society of the Augustana Lutheran Church. The annual meeting was held at the Bethlehem Lutheran Church in Wahoo.

Mrs. Paul Nygren of Mead was named vice president.

The main speaker at the event was Velura Kinnan, a missionary on furlough from Africa, and formerly of Clarks, Neb.

Other elections included:

Mrs. Don Peterson of Lincoln was elected secretary of the business and professional women's division of the society.

Mrs. J. Saben Swenson of Lincoln was named secretary of a special project and literature.

Nine women from First Lutheran Church in Lincoln were among those attending.

Miller Planning To Urge Hike In Glende Dam Appropriations

WASHINGTON (AP)—Rep. A. L. Miller (R-Neb) said Friday he will urge that annual appropriations be increased to speed up completion of Glendo Dam and Reservoir in Wyoming.

The Reclamation bureau's target date for completion of the big multi purpose $44,300,000 project is sometime in the year beginning July 1, 1956.

"By increasing annual appropriations we can get this project completed a year or so earlier," Miller told a reporter.

The project was started late last year, with an initial appropriation of one million dollars. Work has progressed at such a fast rate, Miller said that the contractor has about run out of first year money. As a result, the Budget Bureau Thursday sent Congress a request for an additional $800,000 to be used before the end of June.

Donovan was purchased last fall pleted a year or so earlier," Miller from Atlanta where he won 18 and pleted earlier, we will have water "I believe some $1,700,000 can be Bureau Thursday sent Congress a request for an additional $800,000 to be used before the end of June.

The budget for the year beginning July 1 calls for six million dollars.

Glendo Dam and Reservoir is located in southeastern Wyoming, four miles from the town of Glendo, on the North Platte River. It also calls for a second power plant close to 200 miles away at Fremont Canyon, in the backwaters of the existing Alcova Reservoir west of Casper.

The project will furnish power, flood control and irrigation regulation for farms in Wyoming, Colorado and Western Nebraska.

The Reclamation Bureau also is building a 115 kilovolt line to transmit power from Alcova and Glendo to Gering, Neb. This will cost about $31,790,000 Congress appropriated $292,000 last year to start this and the budget for the year beginning July 1 calls for $1,774,000. Completion date is set for 1958 or 1959.

Farm Prices Rise One Pct.

WASHINGTON (INS) — The agriculture Department reported that prices received by farmers for their crops and livestock increased one per cent between mid-March and mid-April.

There was no change in farm operating and living costs, including wages paid, taxes and interest, between March 15 and April 15.

As a result, the parity ratio rose one point from 86 to 87. The ratio formula is a yardstick of farm prosperity in that it relates the prices producers receive to what they pay for the things they must buy.

From March to April, farmers received higher prices for hogs, beef cattle, potatoes and strawberries. These more than offset lower proces for eggs, milk and tomatoes.

Despite the increase, the department noted that farm prices on April 15 still were four per cent lower than a year earlier. However, the price more than cancelled out a decline between mid-February and mid-March.

Find Missing Girl In Gering

BEAVER CITY, Neb. (AP) — Delores Haas, 15, of Beaver City, who had been the object of a wide search since her disappearance Monday, was home Friday, Deputy Sheriff George Marget said.

Marget said the girl was located in Gering with two 21-year-old men with whom she had disappeared. She was returned here by her father, William Haas, he added.

All Beaver City high school students had taken part in an extensive search earlier in the week after Sheriff J. W. McTaggert feared the girl had met with foul play. A second search was made Wednesday night by firemen in cooperation with the sheriff's office.

Sheriff McTaggert said the girl disappeared after telling her parents she planned to spend Monday night with a girl friend.

Anderson Will Speak At Shippers Banquet

OMAHA (AP) — Gov. Victor Anderson will be principal speaker at a pioneer shippers recognition banquet May 25.

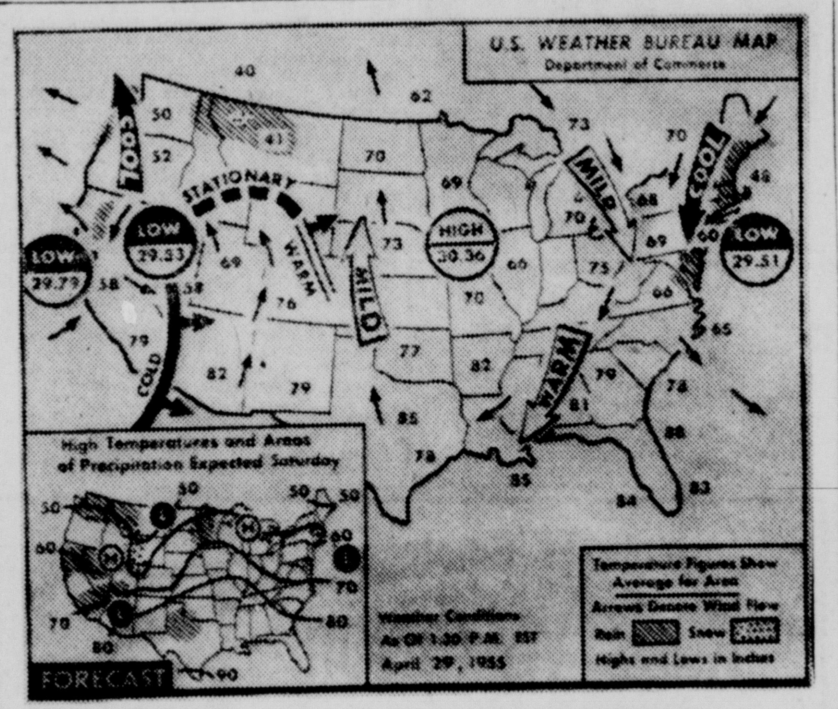
The annual event honors livestock men who have patronized the Omaha market for at least 50 years.

Water Crackdown Seen For Auburn

AUBURN, Neb. — The City Council will meet Tuesday to decide a policy toward the use of water-cooled air conditioners by patrons this summer, according to Mayor Floyd Pohlman.

A water shortage problem, coupled with inadequate facilities for meeting increased demands upon the water supply due to air conditioners have created summertime worries, Pohlman said.

The council, the mayor declared, will consider an ordinance which would forbid the use of water cooling type air conditioners unless the individual installs a water cooling tower and pump to recirculate the water.



Fair Weather Due In Eastern States

The eastern half of the nation will have fair weather Saturday, according to the Weather Bureau, with a warming trend in middle Atlantic and New England states. Cloudy weather, with showers or snow flurries, are forecast for northern and central Rocky Mountain states. Showers are expected for most of the Pacific coast states. It's expected to turn cooler in Idaho, eastern Nevada and upper New Mexico, and warmer along the Pacific coast. **(AP Wirephoto Map)**

Noyes, Hruska Will Deliver Omaha Dedication Speeches

OMAHA (AP) — Dr. Arthur G. Noyes, Norristown, Pa., and Senator Roman Hruska (R-Neb) will speak Saturday afternoon at the dedication of the Nebraska Psychiatric Institute building.

Dr. Noyes is president of the American Psychiatric Assn.

Gov. Anderson and other state officials are also expected to be present. Dr. Earle Johnson of Grand Island will appear on the program in place of LeRoy Welch, Omaha.

The building, at the west end of University of Nebraska medical campus, is a co-operative project of the university board of regents and the State Board of Control.

The $1,500,000 building has been called one of the most complete in the nation. It will replace the institute's crowded quarters in a wing of Douglas County Hospital.

Construction on the new structure was begun a little more than two years ago.

U.S. May Nail Down Formosa Defense Policy With Isle Jet Base, Marines

WASHINGTON (AP) — The United States may nail down its determination to hold Formosa against any Red Chinese "liberation" plans by establishing an American base of jet fighter planes and U. S. Marine Corps units there.

A final decision on the move, which would be what the diplomats call military implementation of a foreign policy, may await the return from Formosa this weekend of Asst. Secretary of State Walter Robertson and Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff.

Robertson and Radford flew to Taipei last week for a round of conferences with Generalissimo Chiang Kai-shek and other Chinese Nationalist leaders who are bitterly opposed to any cease-fire bartering between Washington and the Chinese Communists.

Officials reported Friday that the base idea is one of a series of plans now under discussion here with a view to trying to ease tensions all around in the Formosa area.

Support Seen

Republican Senate support for whatever decisions President Eisenhower may make in efforts to arrange a cease-fire was predicted by Sen. Capehart (R-Ind), who said:

"A vast majority of the Republican senators are perfectly willing to rely on the judgment of President Eisenhower on anything and everything to do with Formosa."

This could possibly include asking Chiang to give up the offshore islands of Quemoy and Matsu to the Reds. Sen. Knowland of California has said any such arrangement would be a "disaster" and has hinted at resigning his post as Senate Republican leader because he differs with the President's view that it might be profitable to talk with the Chinese Reds about a cease-fire.

Asked about this Friday, White House press secretary James C. Hagerty said he hadn't "the slightest idea" whether Knowland has talked to Eisenhower about the possibility of quitting the leadership.

'Slavery'

Capehart said he could not go along with a Republican colleague, Sen. Jenner of Indiana, who offered a resolution Thursday asking the Senate to go on record as opposed to any negotiations leading to the transfer of territory or people "to Communist slavery."

Although the resolution would merely be an expression of Senate opinion, Jenner said he wanted to make it "useless for any official to promise appeasement."

The U. S.-Formosa defense treaty, ratified by the Senate in February, provides for stationing American troops on the island and basing U. S. ships and planes there.

Symbol

The base now contemplated would be more of a symbol of American commitments than a big military installation, but U. S. officials feel its presence would have the dual effect of reassuring Chiang's Nationalists and offsetting Red propaganda that this country does not intend to back up its pledges in Asia.

The U. S. Air Force sent a squadron of F-86 Saber Jets to Formosa during the 7th Fleet's evacuation of Chinese Nationalists from the Tachen Islands last February, but that was only a temporary assignment.

American planes based in the Philippines, Okinawa and Japan have operated in and out of Formosa on "familiarization and training" missions for months, but no effort has been made to establish a long-term base there.

Unicam Passes Two Of Tax Reform Bills

Two bills making up part of the tax reform program introduced at the beginning of the legislative session passed Friday on final reading.

One is LB 149, providing for use of the average inventory throughout the year as the basis for assessing a business or farming operation.

The other is LB 152, authorizing the state tax commissioner to formulate and promulgate rules pertaining to the assessment of property.

The bills grew out of recommendations made by a special Tax Study Committee headed by Sen. Liebers of Lincoln last year.

The household goods exemption bill, LB 150, which is on its way to passage, also was part of this program.

Four bills passed on final reading. The list:

LB 405. Metzger. Permitting reciprocal insurance companies writing the same line of insurance as other domestic companies to pay the same rate of tax, one fourth of 1 per cent of gross premiums. 29-8.

LB 318. Kotouc, Larkin. Prohibiting individuals from writing insurance exclusively on their own business, family, or employees. 33-6.

LB 152. Liebers, Tvrdik, Person, Bixler, Martin. Providing that state tax commissioner shall promulgate rules pertaining to assessment of property.

LB 149. Liebers, Kotouc, Person, Martin, Bixler. Providing for use of average inventory as basis for assessment of certain personal property. 28-10.

Bill Calls For $55,995 For Satisfying Claims

The Miscellaneous Appropriations and Claims Committee Friday introduced a bill in the Legislature calling for a $55,995.86 appropriation from the general fund to satisfy claims against the state.

The committee approved the claims in hearings held since the start of the current legislative session.

Largest claim is $35,406 by the Nebraska Press Assn. for expenses incurred in printing last year's constitutional amendments.

Burmese Woman Visits Legislature

The Nebraska Legislature had a visitor from Burma Friday.

She was Emme Sein Win, who explained she is one of 11 persons visiting this country now from the Far West under the auspices of the United States Information Agency.

The purpose of the visit, Mrs. Sein Win said, is "to familiarize us with American ways, life and customs."

During her stay in Nebraska, Mrs. Sein Win will visit a farm near Milford to study midwest agriculture.

Mom To Be Honored

WASHINGTON (INS) — America's "Mother of the Year" will be honored Monday by the White House and the Utah congressional delegation. Mrs. Levina Christensen Fugal, 75, of Pleasant Grove, Utah, was invited to visit the capitol as the guest of Sen. Arthur V Watkins (R-Utah) after a scheduled White House reception Monday morning.

Humann Heads Youth Employment Service

Julius Humann, guidance director for the Lincoln schools, is chairman of a temporary steering committee for organization of a Lincoln Youth Employment Service.

Humann said youth employment services not only help students earn money, but the work experience gives more meaning to their education and develops responsibility and public mindedness.

Members of the steering committee are Asa Waters, Jessica Epstone, Mrs. R. E. Kosman, Max Peterson and Leonard Bronder.

It's Lilac Time In Lincoln

It's lilac time in Lincoln, the Lilac City, and the Women's Division of the Chamber of Commerce is about to embark upon its annual Lilac Week festivities. The butcher, the baker, the candlestick maker — the merchants and the chiefs all are co-operating to the fullest extent to make this year the biggest Lilac Week ever.

As a sort of an advance guard, by way of good will and public relations, the Camp Fire Girls and Blue Birds are lending a hand, too—and on Friday afternoon we found a group of the little Camp Fire Girls, laden with lilac bouquets, out doing their good deeds. They presented the bouquets to some very delighted residents of Tabitha Home.

In the picture, all members of the Happy Blue Birds from Hartley School, are, left to right: Linda Lou Deinert, Connie Hesse, Marianne Frye, Karen Harrington, Jan Tiede, Linda Malone, Mary Kehr, Susan Sands, Victoria Spurgin, Nancy Dalby, Elizabeth Schneider, and Susan Gloor.

The Brides' Book

Miss Sylvia Boyd, whose marriage to Patrick J. Smith will take place on Saturday morning, May 14, will share honors with her sister, Miss May Boyd, who will become the bride of Louis Champ in July, at a miscellaneous shower to be held Friday evening, May 6. Co-hostesses for the pre-nuptial courtesy, which will be held at the Boyd home, will be Mrs. L. P. Van Cleave and Miss Dorothy Smith.

Last Tuesday evening, Miss Sylvia Boyd also was the honoree at a bridal shower for which Miss Bonnie Hiegel and Mrs. Glen Thomas of Elmwood were hostesses at the home of Miss Hiegel. Eight guests were invited for an informal dessert supper.

Completing plans for her approaching wedding is Miss Candace Eckles who will become the bride of Lt. James Smith of Newark, N. J., on Saturday, May 14. The service will be solemnized at 10 o'clock in the morning at St. Mary's Cathedral.

For her maid of honor and only attendant, the bride-elect has chosen her sister, Miss Miriam Eckles, and serving Lt. Smith as best man will be Bill Byron of Newark.

Girl Scouts Plan Trip

Saturday is a Red Letter Day for the members of the Lincoln Girl Scouts who will make an all-day trek to Nebraska City, where they will visit Camp Catron and tour Arbor Lodge.

More than 1200 Lincoln Girl Scouts and Brownies, accompanied by their leaders, will make the trip by train in 17 special cars. Mrs. Lee Liggett, in charge of arrangements for the trip, has announced that each girl must provide her own "nose-bag" lunch.

Had Friday Wedding

MRS. ROBERT DZIUBANEK

Altar baskets of snapdragons and gladioli appointed the chancel of the First Christian Church where the wedding of Miss Alice Irene Dahlstedt, daughter of Mr. and Mrs. Carl E. Dahlstedt of Loomis, Neb., to Richard Dziubanek, son of Mrs. Jerry Pelton, Beulah, Mich., and Robert Dziubanek, of Detroit, Mich., took place on Friday evening, April 29. The Rev. Charles Kemp solemnized the 8 o'clock ceremony and Roger Wishmier played the wedding music. Mr. Wishmier also accompanied Earl Jenkins, the vocal soloist.

The maid of honor, Miss Ann Unseld, wore a waltz length frock of ice blue crystalette and carried a bouquet of soft pink roses. Miss Ann Dahlstedt, sister of the bride, was the flower girl, and the candles were lighted by Lee Ray Dahlstedt and Ralph Dahlstedt, brothers of the bride. Don Dahlstedt, also a brother of the bride, carried the ring.

The bride's gown of imported lace satin was designed with the empire waistline, which gathered 'the softly gathered bouffant skirt of waltz length.

Serving as best man, was Carle Dahlstedt, brother of the bride, and the ushers were John Smith and Roy Cormier.

Immediately following the reception, held in the church parlors, Mr. Dziubanek and his bride left for a honeymoon trip to Michigan. For traveling the bride wore a white linen frock with blue linen duster and white accessories. Upon their return, they will reside at 1238 North 43rd St.

MISS RUTH ELAINE SMITH

Announcement has been made of the engagement and approaching marriage of Miss Ruth Elaine Smith to Nolan D. Balkkolb, son of the Rev. and Mrs. Harry Balkkolb of Valentine, by the bride-elect's parents, Mr. and Mrs. Clarence Smith of Milford.

The wedding will take place on Wednesday, June 1, at the Assembly of God Church in Milford.

Miss Smith is employed in Lincoln.

MRS. ALLEN RHODES BARNARD

Betty Vogt Is Bride

A profusion of lilacs formed an attractive background for the wedding of Miss Betty Ann Vogt, daughter of Mrs. Eleanor Vogt, and Allen Rhodes Barnard, son of Mr. and Mrs. Niles H. Barnard, which was an event of Friday evening, April 29, at the Trinity Methodist Church. The Rev. Vance D. Rogers solemnized the 8 o'clock ceremony, and the wedding music was played by Charles Tritt, organist. Mr. Tritt also accompanied Don Ingraham, the vocal soloist.

Miss Shirley Dewey, the maid of honor; the bridesmaids, Miss Ruth Ann Clark of Auburn, and Miss Ann Barnard, sister of the bridegroom, appeared in alike frocks of polished cotton in the lilac tone. Beneath the fitted, torso-length bodices, fashioned with low rounded necklines and cap sleeves, the extremely full skirts were ballerina length. Their level-on hats, caught at the back with minute bows from which fell hem-length streamers, reflected the tone of their frocks. Their colonial bouquets of frenched white carnations were centered with violets.

Glenn Hall of Chicago served his cousin as best man, and seating the 200 guests were Kenneth Barnard, brother of the bridegroom, and Stan Schneider.

The bride, given in marriage by her brother, Jim Vogt, chose a gown of embroidered silk organdy over taffeta for her wedding. The long, hip-length bodice was snugly fitted and was designed with a wide, circle neckline and brief, puffed sleeves. The waltz-length skirt was exceedingly bouffant. Her elbow length veil of illusion was held to the head with a level-on hat ornamented with seed pearls, and she carried a white Bible marked with white roses.

Mr. Barnard and his bride left for a honeymoon trip, following a reception in the church parlors, and for traveling Mrs. Barnard is wearing a coat ensemble of silk print in the green and yellow tones, with avocado accessories. After May 19 the couple will reside at Parris Island, S. C., where the bridegroom is stationed at the Marine Corps Base.

Mrs. Barnard is a junior at the University of Nebraska where she is a member of Alpha Phi sorority. Mr. Barnard, recently home from Japan, is a graduate of the University of Nebraska where he is a member of Sigma Chi fraternity, and Phi Mu Alpha, professional music fraternity.

A Big Celebration

There were some very good reasons why Mrs. Joseph G. Benda of Wymore had a big birthday celebration. In the first place it was a birthday—in the second place it was her 80th anniversary—add the fact that she, accompanied by her son-in-law and daughter, Mr. and Mrs. Sidney Anderson, was in Sunnyvale, Calif., with other daughters and her grandchildren, and you can understand the excitement.

In the picture we find Mrs. Benda surrounded by her grandchildren and great-grandchildren including:

Back row, left to right, Kathleen Halden, Mrs. Jacob Halden, Mrs. Edwin Volloton, and Myrcha Bachellor.

Front row, left to right: Jay and Carol Ann Halden, Mrs. Benda—holding her great-grandson, Roy Volloton; Mickey Lou and Neil Volloton.

Mrs. Halden and Mrs. Volloton are the daughters of Mrs. Chance Bachellor, the former Myrtle Benda, who new resides in Sunnyvale, Calif.

Ring Rates Fifth Spot To Holman

NEW YORK (AP) — Johnny Holman of Chicago, knockout winner over former heavyweight champion Ezzard Charles, and Tony DeMarco, newly-crowned welterweight champion, are the fighters of the month in the latest Ring Magazine ratings.

Holman, in addition, jumped into fifth place in Editor Nat Fleischer's listing of the challengers for Rocky Marciano's heavyweight title as a result of his surprising ninth-round knockout victory. Charles was dropped from fourth to sixth place.

England's Don Cockell, against whom Marciano is slated to defend the title May 16, is listed as the No. 2 challenger behind Cuba's Nino Valdes.

Other heavyweights in the top 10 are in order, Bob Baker, Pittsburgh; Tommy Jackson, New York; Holman, Charles, Earl Walls, Toronto; Rex Layne, Lewiston, Utah; Heinz Neuhaus, Germany, and James J. Parker, Toronto and Paterson, N.J.

DeMarco, who won the welterweight title by stopping Johnny Saxton in the 14th round, is scheduled to defend it in Syracuse, N.Y., June 10 against the No. 1 challenger, Carmen Basilio of Canastota, N.Y. Saxton was dropped to second place among the challengers.

Other important changes in the rankings saw Harold Johnson of Philadelphia return to the No. 1 spot among the light heavyweight contenders and Percy Bassett of Philadelphia regain the leading place on the featherweight list. Flashy Ralph Dupas of New Orleans moved to the top of the lightweight contenders as Italy's Duilio Loi slid to second.

Johnson replaced Joey Maxim, who dropped to third after his defeat by middleweight champion Bobo Olson. Bassett moved up on the strength of his knockout victory over Serafin Ferrer, French lightweight champion, while Teddy (Red Top) Davis skidded from first to fourth among the featherweight contenders.

Doane Relay Awards

Miss Bettty Weed, sophomore from Alliance, and Miss Sharon Schmidt (right), freshman from Hastings, display the trophies to be awarded to winners in Tuesday's seventh annual running of the Doane College Night relays. Miss Weed was last year's relays queen.

Annual Carnival Set Tuesday

26 Colleges Entered In Doane Relays

Lincoln Star Special

CRETE — Aub Givens, Doane College director of athletics and meet director for the Night Relays, has announced the entry of St. Benedicts College of Atchison, Kansas. This swells to 26 the number of colleges on hand for Tuesday's events, the seventh annual Doane Relays.

Doane College still holds one of the oldest of records, the mile relay with a 3:24.3 clocking, set in 1950 by Dick Konicek, Gib Eggen, Lowell Dodd, and Bob Provorse.

Norman Lastovica, Doane sophomore, owns a share of the high jump mark set last year. Lastovica, Marion Hudson of Dana, Roger Dunbier of Omaha U., and Gene Anderson of Fort Hays (Kan.) State tied at 6' 2¾", for the new record.

Colleges, from seven states, entered in the meet, in addition to the latest entry, include Grinnell and Wesleyan from Iowa; Yankton and Augustana from South Dakota; Fort Hays State and McPherson from Kansas; Oklahoma Baptist University from Shawnee, Okla.; Tarkio of Missouri; and Mankato State of Minnesota; with Doane, Wayne, Midland, Hastings, Omaha U., Peru, Kearney, Dana, Wesleyan, and Concordia the Nebraska colleges entered.

In the junior college division, entries have been received from Highland, Kansas; Graceland of Lamoni Iowa; and Fairbury, Luther McCook, and Norfolk in Nebraska.

44 High Schools Meet Today In Annual Doane Invitational

CRETE—Doane College Director of Athletics Aub Givens has announced the addition of two entries for the Doane Tenth Annual Invitational. The entry of Omaha Benson and Lincoln Teachers boosted the total to 44 for today's event.

Preliminaries in the track and field events are slated for 9:30 a.m., with finals at 1:30. Teams compete in two divisions, with Class A and B schools group as "A," and Class C and D schools grouped in "B."

Oldest records for the Doane event in "A" were set by Fritz Davis of Lincoln Northeast in 1947. The shot record stands at 51' 2" and the discus, 167' 7".

Two records set in group B in 1946 still stand. Brown of Wymore set a discus mark of 139' 5", while Burney of DeWitt still holds the high jump mark of 6'.

In addition to the two entries just received, teams in group A include St. Bonaventure of Columbus; Lincoln College View; Omaha North; Fairbury; Lincoln Cathedral; and Omaha Tech.

Entries in B include Syracuse, Cedar Bluffs, Pawnee City, Ceresco, Blue Springs, Shickley, Ohiowa, Scotia, Osceola, Odell, Wilber, Gresham, Table Rock, Waverly, Hastings St. Cedilia, Friend, Dorchester, Chester, DeWitt, Diller, Deshler, Harvard, Nelson, Concordia, Western, Clay Center, Exeter, Fairmont, Beaver Crossing, Tobias, Wymore Humboldt, McCool Junction, Yutan, Ulysses, and Benedict.

Finals Set For North, South Golf

By KEN ALYTA

PINEHURST, N.C. (AP) — Bill Campbell, captain of the U.S. Walker Cup team, and Don Bisplinghoff, Florida's amateur champion, Friday stroked their way into finals of the North and South Amateur Golf Tournament.

Bisplinghoff won over medalist Dave Smith of Gastonia, N. C., and Campbell over Ed Gravely of Rocky Mount, N. C., both by 2 and 1.

The 36-hole finals today will find Campbell bidding for his third North and South title in six years. The match will start at 10:45 a.m. (CST) with the afternoon round at 3 o'clock.

The blond Bisplinghoff shot par golf over the 7,000-yard No. 2 course of the Pinehurst Country Club and Campbell was one over.

Won Florida Title

Bisplinghoff, 20, who is playing in his first North and South tournament, earlier this month won the Florida Amateur title for the third time in a row.

Bisplinghoff, who won the U.S. Golf Assn., National Junior title three years ago at the Yale golf course, never trailed against husky Smith. The 240-pound North Carolinian played well enough in defeat, but he couldn't cope with the short game the Floridian presented.

Bisplinghoff said later, "I don't consider myself a good putter, but Friday I putted exceptionally well. I particularly got a lift out of my putt on the second hole (a 15-footer for a half in fours) and after that I felt good."

Won On Back Nine

Campbell, former West Virginia legislator from Huntington, again won on the back side, where he has won most of his matches this week.

Parnell Sent Home

CHICAGO (INS)—An ailing right knee has cost the Boston Red Sox the services of ace pitcher Mel Parnell for an indefinite period.

The Boston club disclosed Friday that Parnell, whose knee was injured in Sarasota, Fla., last March, has been sent back home. The club said the southpaw's knee failed to respond to treatment.

Parnell, who has not pitched all season, also was out most of 1954 with a broken left wrist.

David City Slate To Include Geneva

DAVID CITY—One new opponent appears on the 1955 David City High School football schedule. Geneva is the new foe on the nine-game slate. There is one open date, Oct. 7, which may be filled before the season begins.

The schedule: Sept. 9, Osceola; Sept. 16 at Wahoo; Sept. 23, Schuyler; Sept. 30, Albion; Oct. 7, open; Oct. 14, Geneva; Oct. 21 at Crete; Oct. 26, Fullerton; Nov. 4 at Central City; and Nov. 11 at Aurora.

Phils Whomp Braves, 13-4

PHILADELPHIA (AP) — The Philadelphia Phillies blew a tight ball game wide open with six runs in the sixth innig Friday night to whip Milwaukee 13-4 and move into a tie with the Braves for second place in the National League. The game was called because of rain with the Phils at bat in the eighth inning.

Veteran righthander Herman Wehmeier shackled the Braves most of the way, allowing only four hits, including a bases-empty homer by Bobby Thomson in the fourth.

The Phils' big sixth started off with a double by Earl Torgeson. Wehmeier and Richie Ashburn singled, scoring Torgeson, and starter Warren Spahn was replaced by Ray Crone. Bobby Morgan greeted him with a single, scoring Wehmeier. After Gran Hamner flied out, Ashburn stole third and Del Ennis walked to load the bases. Stan Lopata's single brought Ashburn and Morgan home and Ernie Johnson went to the mound for the Braves.

Bucs Blanked By Reds, 5-0

PITTSBURGH (AP) — Southpaw Joe Nuxhall doled out six hits Friday night and chipped in a home run as the Chincinnati Redlegs shut out the punchless Pittsburgh Pirates 5-0.

It was the Pirates' third shutout of the season.

The Redlegs collected nine hits off three Pirate hurlers as they won their second consecutive game from the cellar dwellers.

Chisox Rookie Stops Boston 7-0 As Fox, Lollar Homer

CHICAGO (AP)—Dick Donovan registered his first major league victory when he hurled the White Sox to a 7-0 triumph over Boston here Friday.

The 27-year-old righthander, who failed in previous trials with the Braves and Tigers, victimized his hometown team with a four-hitter. He hails from Quincy, Mass., a suburb of Boston.

Donovan was purchased last fall from Atlanta where he won 18 and lost eight last season. In 1950, 1951 and 1952 Dick appeared in 25 games for the Braves and lost four decisions.

The White Sox rookie fanned six, walked only one and only one runner reached third base.

The Comiskeys supported Donovan with an 11-hit assault off Willard Nixon, Dick Brodowski, Bob Smith and Joe Trimble.

Nixon, routed in the fourth for his first defeat after three straight victories, yielded four runs and eight of the hits including home runs by Sherm Lollar and Nellie Fox.

Lollar's fourth of the year came in the second round to end a string of 19 scoreless innings for Nixon. Fox belted one in the third for his first Comiskey Park homer in his career. It was a well-stroked drive into the right-field lower deck.

Walt Dropo's double, a walk and singles by Lollar and Chico Carrasquel gave the Comiskey's another pair in the fourth.

The White Sox chased Brodowski in the sixth when they erupted for three runs on a mixture of three walks and singles by Carrasquel and Minnie Minoso. Smith finally checked this rally.

Tigers Cop 6th In Row

DETROIT (AP) — The Detroit Tigers combined heads-up defensive play and rookie Frank Lary's clutch pitching to defeat the Washington Senators, 3-2, Friday for their sixth straight victory, their longest winning streak since 1950.

The triumph gave the surprising Tigers a 9-5 record.

Lary, 24-year-old righthander from Northport, Ala., scattered eight hits in recording his second big league victory against one loss.

Twice the rookie pitched brilliantly to work out of jams. The only player he had trouble with was the veteran Mickey Vernon, who knocked in both Washington runs with a single and his third home run.

All Runs In Sixth

Vernon's timely hitting put Washington into a 2-0 lead but the Tigers jumped on starter-loser Camilio Pascual for all their runs in the sixth.

Ray Boone opened the decisive inning for Detroit by rifling his fourth home run over the left-field screen. With two out and with Bill Tuttle on first with a walk, Lary hit a looping fly into left-center field. Left fielder Roy Sievers and shortstop Tony Roig collided and the ball fell for a double, with Tuttle scoring.

Then Harvey Kuenn sent Lary across with the winning run on a single between first and second.

Orioles Stop Indians, 5-2

CLEVELAND (AP) — Baltimore's Orioles rallied in the ninth inning Friday night for four runs and a 5-2 victory over the Cleveland Indians. It was the team's first victory in Municipal Stadium since 1952.

Mike Garcia, the losing pitcher, had allowed only three hits and a single run until the last ninning. But then Gene Woodling's double was followed by singles by Gil Coan, Willie Miranda and Eddie Waitkus and an error by George Strickland.

It was Garcia's third loss of the season against a single victory. He was relieved in the ninth by Ray Narleski, who gave way to Don Mossi, who was replaced by Art Houtteman.

Baltimore's first run came in the sixth, on singles by Miranda, Waitkus and Chuck Diering.

The two Cleveland runs came in the second inning on singles by Ralph Kiner, Strickland and Garcia.

Skowron Expects Play 'In Few Days'

NEW YORK (INS) — Injured Bill Skodron, New York Yankee rookie first baseman, was resting comfortably in Lenox Hill Hospital Friday and expects to be able to play again in a few days.

Skowron tore a thigh muscle while sliding into third base on a triple against the White Sox in Chicago Wednesday. The Yankees rushed him back to New York to be treated by the club physician, Dr. Sidney Gaynor.

The young first baseman, who has been called a right-handed Lou Gehrig, was leading the American League in hitting with a .451 average when he was injured.

Wesleyan Golfers Sweep Past Doane

Wesleyan golfers won all four matches Friday to defeat Doane in a dual golf meet at Pioneers, 10-2. The Plainsmen's Rich Jennings was medalist with a 72.

The results.

Rich Jeningş (W) defeated Charles Knudsen, 3-0.
Bob Peterson (W) defeated Jerry Slagle, 3-0.
Blaine Rieke (W) defeated Dick Vasak, 2-1.
Ken Moore (W) defeated Jerry McConnell, 2-1.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

BAERING DOWN ON THE NEWS By Arthur 'Bugs' Baer

Inscriptions over marble postoffice doors are threats in enduring marble.

☆ ☆ ☆

Subject to the whim of the weather vane without notice. In addition to rain, snow, wind and dark there is another element the mail must go through.

The mail must go through the front yard. Where lurketh the family panther. Which the law affirms is entitled to one bite.

☆ ☆ ☆

The location of the bite is not mentioned in the plans and specifications. It can be brisket, flank or calf. The first law of Newton's grabbitation is big dogs bite higher than little dogs.

☆ ☆ ☆

Now to make the front yard Olimpiads more equal to the unbiased rooting of safety seated sportsmen the law amends the law. It adds a defensive codicil guaranteeing the postman the right of one kick.

☆ ☆ ☆

Which tosses the self-funding tournament into the public domain. It's a throwback to the spirit that settled the west.

☆ ☆ ☆

The only fault with one kick versus one bite is it is still a tie game.

Stock Mart Strong As Trading Quiet

NEW YORK (AP) — The stock market advanced Friday with a good showing of strength but trading was quiet.

The rise boosted prices up between $1 and $3 at the best while the worst losses seldom got outside the range of $1 to $2.

Thursday's stock market was pushed down rather hard with selling in the second and final hours.

Friday the market started out cautiously higher. Then it gradually gained confidence as the session progressed. At the close prices were around their best levels.

In addition to a good performance by a long string of individual issues, there were top gains in steels, motors, railroads, chemicals, aircrafts, and radio-televisions.

The Associated Press average of 60 stocks was up $1.20 at $164.80. It was down $2.00 Thursday.

The industrial component was up $1.70, railroads were ahead $1.10, and utilities were up 20 cents.

Volume amounted to 2,230,000 shares. That compares with 2,550,000 shares traded Thursday.

The American Stock Exchange was mostly higher on volume of 690,000 shares as compared with 740,000 shares traded Thursday.

BOND MARKET

NEW YORK (AP) — Railroads pulled the corporate bond market higher Friday in active trading.

U.S. government bonds were steady to slightly higher in over the counter activity.

"Big Board" volume increased to $4,480,000 par value from $4,060,000 Thursday as the corporate list firmed. Utilities and industrials were fairly steady, except for convertible bonds which climbed. Railroads issues were in moderate demand.

Grains Gain Some After Early Loss

CHICAGO (AP) — Grains mainly ended with small gains on the board of trade Friday more than recovering in the afternoon the ground they had lost during the morning.

It was another dull session with much of the activity limited to local traders. The last half upturn was attributed to covering by previous short sellers who did not want to maintain their positions over the week end.

Wheat closed ⅝-1½ higher, corn unchanged to ½ higher, oats ⅞ lower to ¼ changed to 1 cent higher and lard unchanged to 13 cents a hundred pounds higher.

Carolyn Rudd, Cliff Kahl Are Nebraska Wesleyan Royalty

CAROLYN RUDD AND CLIFF KAHL

Carolyn Rudd, Englewood, Colo., and Cliff Kahl of Big Springs, Neb., were May Queen and Student Prince at Nebraska Wesleyan University.

They were elected earlier by secret vote of the students and their identities were revealed Friday at the annual Spring Fete.

Miss Rudd, daughter of Mr. and Mrs. L. R. Rudd, is a member of Willard Sorority and 1954 Wesleyan beauty queen.

She has been a member of Panhellenic Council, Student Senate, Cardinal Key, Women's Athletic Association, Pep Club, Phi Kappa Phi, Plainsman Players, Pi Kappa Delta, debate, Road Show, COGs and Pi Gamma Mu.

Kahl, the son of Mr. and Mrs. Earl C. Kahl, is one of the outstanding campus athletes, a good performer in both football and track.

He is affiliated with Phi Kappa Tau Fraternity and a member of the Interfraternity Council.

Class attendants, also elected by the student body, accompanied the queen and prince as the processional moved into Ira J. Taylor gymnasium. Attendants were:

Senior: Elaine Krondak, Falls City; Jody Ourth, Otho, Ia.; Ernie Shippen, Canyonville, Ore.; Jerry Kroeger, David City.

Junior: Marilyn Wagner, Hartington; Fay Martens, Chappell; Bill Bowmaster, Lincoln; Rollie Barron, Cincinnati, O.

Sophomore: Janet Deckinger, Stella; Carolyn Watson, Inman; Bob Abel, Bridgeport; Larry Sandall, Lincoln.

Freshman: Lois Meyer, Sidney; Gloria McCord, Oshkosh; Martin Park, Aurora; Duane Hubbard, Hebron.

Junior and senior girls formed ivy and daisy chains and 20 formal-clad freshman girls presented a traditional May Pole dance, accompanied by Jean Burger of Omaha and Pat Warner of Albion. May Pole dancers were:

Joan Brooker, Bellevue
Mary Busch, Utica
Ileen Hansen, Oakland
Joellen Kennedy, Page
Joyce Luginbill, Lincoln
Hazel Luginbill, Humboldt
Pat Manifold, Ainsworth
Deanna Margritz, Phillips
Lois Meyer, Sidney
Cherie Olson, Bartlett
Donelle Potadle, Herman
Elaine Rohwer, Papillion
Shirley Stevens, Polk
Martha Stilwell, Unadilla
Shirley Stone, Ogallala
Elizabeth Webster, Lincoln
Deloris Wegner, Wisner
Janice Weston, Gibbon
Mary Williams, Verdon
Linda Young, Kearney

Children of Wesleyan students and faculty members served as flower girls, train, crown and sceptre bearers. They were:

Flower girls: Linda Hall, danughter of Mr. and Mrs. Harold Hall; Sigrid Paulson, daughter of Mr. and Mrs. Leonard Paulson.

Train bearers: Duane and Wayne Kirk, twin sons of Mr. and Mrs. Raymond Kirk.

Crown bearer: Pamela Mickey, daughter of Mr. and Mrs. David Mickey.

Sceptre bearer: Mike Lehr, son of Mr. and Mrs. Leon Lehr.

Janice Kellough, Friend freshman and Louise Savidge, Callaway freshman, acted as pages.

S.E. NEBRASKA BURGLAR HUNT STILL PRESSED

Lincoln Star Special

TECUMSEH, Neb. — Law authorities late Friday reported "nothing new" in the search for the burglars breaking into four business houses and walking off with $1,690 in cash.

County Attorney Raymond B. Morrissey stated several leads are being followed, but thus far no arrests have been made.

More than $1,200 were taken from the Chat and Nibble Cafe safe, owned by H. A. Hendee. Other firms reporting losses were James Oil Company, $227; Critchfield Garage, $100; and Thurber's Garage, about $50.

There is definitely a connection between the breakins in Tecumseh and those recently staged at Humboldt and Falls City, the county attorney related.

Capt. Harold D. Smith of the State Safety Patrol said his organization is co-operating with Johnson County officials in searching for the robbers.

Services Sunday For Crash Victim

Lincoln Star Special

FRIEND, Neb. — Funeral services for Warren Heckman, 27, who died from injuries suffered in an auto accident, will be held at 2:30 p.m. Sunday at the Friend Methodist Church.

A farmer near Friend, he was found dead near his wrecked car about one and a half miles south of here.

Sheriff John Tesar said Heckman apparently lost control of his car which hit a bank.

He is survived by his parents, Mr. and Mrs. Theodore Heckman, and two sisters.

Ton-Mile Tax Measure 'Sabotaged'—Senator

Sen. Lester Anderson of Aurora charged Friday that the Legislature's Revenue Committee has "sabotaged" his proposed ton-mile tax on trucks.

The committee Thursday afternoon reported to the floor a modified weight-distance tax applying only to out of state trucks hauling 16 tons or more. It is part of a new motor vehicle revenue program, devised by the committee, that would also raise registration fees for trucks, buses, and some passenger cars.

"They did as good a job as experts could have in sabotage," an angry Anderson said.

He said he would study the revised ton-mile tax over the weekend but added that any chance of amending it on the floor to return to the original provisions "will probably be a physical impossibility."

Judge Palmer Asks Dismissal Of Bar Ass'n Complaint

Omaha Municipal Judge Lester E. Palmer Friday asked the State Supreme Court to dismiss a complaint filed against him by the Nebraska State Bar Association.

The bar association asks that Judge Palmer be disciplined on grounds of an alleged attempt to obstruct administration of justice by seeking to have another person plead guilty to a hit-and-run driving charge of which Palmer himself later was found guilty as driver of the car involved.

In his reply to the complaint, Judge Palmer alleges the accident was not the result of any wilful, deliberate or intentional act; that it was not committed while in the administration of his office, and had no relation to any conduct as an attorney or as judge.

With reference to his arrest in Pottawattamie County, Iowa, on a drunkenness charge, Judge Palmer says the bond was forfeited because of the publicity.

He asserts he was not guilty, and again says there was no connection with his office as a judge of the municipal court.

Eyebrow Cut When Youth Hits Windshield

Gene Morley, 16, of 3515 So. 51, suffered a cut on the right eyebrow when his head went through a windshield following an accident at 27th and A Friday morning.

Morley, who was treated at St. Elizabeth Hospital, was a passenger in a truck driven by John W. Campbell, 18, of 4844 Pioneers.

The Campbell truck collided with a vehicle driven by O. J. Zimmerman, 53, of 4120 Garfield. Zimmerman was driving west on A and Morley south on 27th when the accident occurred.

Actor Morrell Dies

HOLLYWOOD (INS) — Funeral services pended Friday for stage and screen character actor George Morrell, who died Friday at the age of 82. Morrell played on Broadway with Willard Mack many years ago. He is survived by his widow, Rose.

for City Council

To the People of Lincoln

I have followed very closely the career of Rees Wilkinson as City Councilman. During the time he has been on the City Council Rees Wilkinson leads all council members in roll call answered and matters voted upon.

Rees Wilkinson believes that it is the duty of a city council member to attend all council meetings and to be present and voting on each roll call. There are more than 40 important propositions presented to the City Council at each regular meeting. On each and every ordinance, resolution or proposition that required council decision, the roll call of votes is called.

If the tax payers interest is to be upheld, it is necessary that we have Council members who are able and willing to be present and vote on each and every important issue.

Rees Wilkinson has established an all time record of Council attendance. He meets issues squarely and gives careful and fair consideration and study to all matters coming before him. Rees Wilkinson is an original thinker and he has created and engineered to a successful conclusion measures and projects of extreme importance to the people of Lincoln.

The City needs councilmen who will give such consideration to the business of the city.

Injured Airman Reported Good; Severely Burned

OMAHA (AP) — A1c William R. Spencer Jr., Omahan injured Wednesday in the crash of a C-124 Globemaster in Canada, was reported in good condition Friday.

His father said he had word from young Spencer's commanding officer that the airman suffered first first and second degree burns of the face, arms and upper part of his body and a fractured ankle.

William R. Spencer Sr. said he understood his son would be in the Goose Bay Air Field hospital in Labrador about a month.

Donaldson Air Force Base at Greenville, S. C., said earlier the crash occurred while the plane was attempting a landing at Frobisher Bay, Baffin Island, Canada. Four of the eight-man crew were hurt.
